NOTE FROM THE CHAIR

DENNIS KENEALY, TOWN CHAIRMAN

Chairman’s Report/Emergency Government/Plan Commission

We are now starting our budget process. We do not anticipate any major projects that need funding. However, we have been upgrading the park facilities and will look at necessary funding for that area. Roads will remain a focus of the budget as they have been for the last few years.

A LOOK at the BUDGET

We will be looking at some Emergency needs, such as the possible purchase of a generator, and planning for the U.S. Open in 2017. We are having preliminary meetings with the Golf Course and the United States Golf Association.

We will inform, through this newsletter, as to progress with the plans. One thing, however, has been set up: If you are interested in renting your home during the event, a contact e-mail has been established with the USGA, esteimer@usga.org. You may contact the USGA at that address and its representatives have stated they will respond. The Town itself has **no** direct involvement with those types of rentals. The Plan Commission and our staff will soon be involved in review and approvals for the event. Everything is preliminary now, as the lead officials have just located to this area, but the pace will pick up in 2016.

ZONING

The Zoning Office has had many inquires as to what land owners may or may not do with their property during the US Open in 2017. Land owners need to contact the Zoning Office for review and approval if that use is not specifically provided as a permitted use or listed as a conditional use in all zoning districts in the Erin Zoning Code (available at www.erintownship.com under General Code, Zoning).

The Zoning office is currently working on specific provisions for the Town during the US Open in 2017.

CLERK'S CORNER

JULIE KRIEVALDT, TOWN CLERK

NICOLE LIPSKE, TREASURER

PROPERTY TAXES 101

With Property Tax season approaching, the Town Clerk and Treasurer have collaborated on this article. We hope to be able to clear up some confusion concerning property taxes.

Tax bill preparation timeline: The budget process for all taxation districts starts early in the fall. The Town's levy is set at the budget hearing the third Monday in November each year. The Clerk also has to receive all the levies from the state, county, and school districts before she can submit it to the County Treasurer to prepare the tax bills. That information is generally received and taken to the County Treasurer the week after Thanksgiving. Washington County prints all tax bills for the County which has 33 municipalities. When the tax bills are ready, usually around December 10th, the Erin Treasurer has to pick them up, stuff the envelopes and mail them out. There are approximately 2,000 tax bills. By State statute, the tax bills must be mailed by the 3rd Monday in December.

Changes in mailing address: For the "snowbirds": If your mailing address has been or will be changed, please notify the Erin Treasurer before December 1st so the tax bill can be mailed to the correct location. Let the Treasurer know whether this is for one year only or is a permanent change.

Paying your taxes: The tax bill envelope will contain the following: your tax bill, a payment envelope, a letter from the Town of Erin Treasurer, and on the reverse side, a dog license application (you can copy this if needed for additional dogs). You can pay your taxes and submit your dog license application at the same time. Please write out a separate check for the dog license application(s). In the letter, the Erin Treasurer will let you know the office hours for

payment of taxes. If you do not want to wait in a long line, the check(s), made payable to Town of Erin, can be mailed to the Town Hall, Attn.: Treasurer.

Refunds & receipts: If your taxes are paid in full and you are due a refund for over-payment, refunds are processed 20 days after the Treasurer

has cashed your check, not 20 days from when the check was received. If you want a receipt for your tax payment, please include a self-addressed stamped envelope. We do not automatically send out receipts.

Payments by credit card: Payments by credit card are accepted. The fees can be quite large and are not controlled or collected by the Town of Erin. If payment is made by debit card or e-check, the fee is minimal. It will take a couple of days before the Town is notified of the payment.

Payment timeline: Either the first installment or full payment is due by January 31 each year. You make that payment out to "Town of Erin." If you make the first installment by January 31, then the second payment is made out to: "Washington County Treasurer" and mailed to: 432 E. Washington Street, West Bend, WI 53095. The second payment is due by July 31st each year. If it is past January 31st and you did not make a payment, contact the Washington County Treasurer since that is where your payment must be sent.

Washington County Treasurer Tax website: The County website does not get updated with tax payment information until the end of February. If you or your bank views the website between December 5th and February 28th each year, your taxes will appear to be delinquent when they are not. This is because the tax software used at the municipalities is not directly linked to the County site. Every February, the municipality has to e-mail the information to the County Treasurer. The County uploads it and does a series of cross-checks before it is released for the public to see.

COMMITTEE REPORTS

Erin Park Update

By Maureen Fitzsimmons-Vanden Heuvel

Much has been accomplished in Erin Park this summer. The Snack Shack was repainted and a new sign installed. The Veteran's Memorial planting beds were pruned, weeded and mulched and the railings and benches repainted. Several dead trees in the park were disposed of, and we made great strides in eliminating our rodent problem. The new metal picnic tables were assembled, and we are currently working on replacing all the wood boards for our current picnic tables. All the split rail fencing around the park has been repaired.

We have new nets for our basketball hoops, new back gutters on the Town shed, newly painted doors on the Town Hall and a new garbage disposal system through Waste Management. We have a good handle on the eradication of poison ivy and the evil wild parsnip in the Park and our volleyball court is weed-free. Our rental house is up to date on needed repairs, and our outside flag and building lighting is once again working properly.

Many thanks to Andy Sparr for all his help in equipment maintenance, replacement and repair; Terry Wick, who oversaw the work of our summer help, hopped on the lawnmowers whenever needed and did all our tree cutting/trimming; Blake Janz, who ensured well-groomed soccer and baseball fields; and our new hire, Miles Martinez, who rebuilt every stretch of fencing, reinstalled our new Snack Shack sign (with help from his dad), and completed a list of other tasks too numerous to mention.

2017 U.S. OPEN

USGA Provides 2017 U.S. Open FAQs

How do I rent out my house to players or spectators?

The USGA is in the process of collecting contact information from local homeowners within a five- to 10-mile radius of Erin Hills who are interested in renting their homes to players. In the fall of 2016, the USGA Championship Office will reach out to homeowners to detail the player home rental program. For those interested in renting their home to a player who meet the above criteria, please feel free to contact the 2017 U.S. Open Championship Office at 2017usopen@usga.org and provide your name, address, phone number and email.

For those interested in renting their home to a larger audience such as spectators, we suggest exploring other options such as a local realtor. Erin Hills and the USGA will not be involved in connecting potential home renters with interested residents.

Where will everyone park? How will the U.S. Open impact local traffic?

The USGA and its partners are exploring every potential parking option in the surrounding area. The overall goal of the parking and transportation plan is to minimize vehicular traffic in the immediate area surrounding Erin Hills by utilizing satellite parking and implementing an efficient shuttle system. We will continue to work with local, regional and state representatives to construct a plan that provides safe, effective

transportation to and from the U.S. Open for all spectators. A comprehensive Public Safety Plan to include security, parking and transportation details will be released to the public in the spring of 2017.

How can I volunteer for the 2017 U.S. Open Championship?

Organizing a volunteer force of more than 4,800 individuals is an enormous task that necessitates long-term planning. As you may be aware, the response seen the first month the volunteer application was made available (July 13, 2015) was fantastic. Historically, the process to recruit approximately 4,800 volunteers has taken two to four months in most U.S. Open markets. Due to the overwhelming response seen within the first month (over 5,000 volunteer applications were submitted), the USGA instituted a waitlist beginning on August 17, 2015. If you are interested in submitting a waitlist volunteer application for the 2017 U.S. Open Championship, please visit <https://2017volunteers.usga.org> to learn more about the volunteer program and submit an application.

COMMUNITY NEWS

Autumn at Holy Hill

By Dr. Mary Anne Urlakis

Autumn is a busy season at the Basilica of Holy Hill. A variety of annual events draw impressive crowds to the grounds of the Shrine. This September marks the 41st year that bargain-hunters had the opportunity to weave throughout the Holy Hill Arts and Crafts Fair amid hundreds of vendors in search of unique pieces at outstanding prices. The Fire on the Hill - St. John Bosco Youth Day - has been going strong for 15 years and brings bus-loads of youth together for a day that includes Holy Mass, music, dynamic speakers, food, fun, and of course, the bonfire.

Lastly, the resplendent beauty of the changing colors and the majestic splendor of the Basilica continue to draw pilgrims, photographers, and travelers year after year. The 178 steps leading to the magnificent view from the church tower are well worth the effort, as is the meandering path of the Ice Age Trail which winds throughout the grounds. May you enjoy the colors of this rich and vibrant season.

COMMUNITY NEWS

JACK RUSSELL MEMORIAL LIBRARY

The Jack Russell Memorial Library at 100 Park Avenue in downtown Hartford invites all Erin residents to visit the Library to check out the variety of materials and programs that are available to patrons of all ages. The Library is open Monday through Thursday from 10:00 AM to 8:00 PM, Fridays from 10:00 AM to 5:30 PM, and on Saturdays from 9:00 AM until 2:00 PM. Library cards are issued free of charge to Erin residents by providing a photo ID and current address.

The Youth Library has an exciting line-up of programs for this fall and is introducing a new program called Parachute Play, a storytime geared just for active toddlers (ages 18 months to 3 years)! Toddlers can learn through parachute play to stories and songs. Registration is required and is limited to 10 children per session. Toddler Time resumed on Thursday, October 1 at 10:30 AM and Preschool Storytime is back on Tuesday mornings at 10:30 AM and Wednesday afternoons at 1:00 PM. The monthly Lego program is also back on the first Tuesday of every month from 3:30 PM to 4:30 PM. No registration required.

The Friends of the Hartford Library have an exciting fall series of programs lined up. Please join us in the Community Room on the following Wednesday evenings for light refreshments at 6:30 PM with each program starting at 7:00 PM:

October 21

Apple Quest

Presented by Peter Hoffmann

November 11

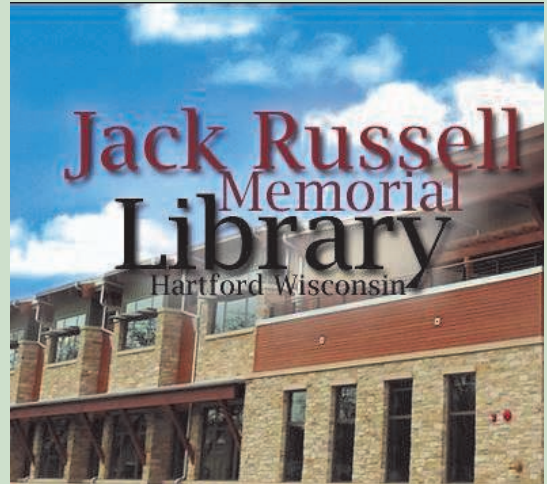

The Essential Houdini

Presented by William Pack

December 2

Mrs. Dickens

Presented by Jessica Michna

On Friday, November 5th and Saturday, November 6th, during regular Library business hours, the Friends are holding a basket and book sale in the Atrium. Please stop in to take a look at this new fall fundraiser!

Please like our Facebook Page, Jack Russell Memorial Library, for program announcements and other information about the Library. The drive-through book return on the East side of the building is always open for dropping materials off. More detailed information on all our weekly programs is available at the Library or on our website at www.hartfordlibrary.org. Please call us at (262)673-8240 for more information.

NOTICE TO VETERANS OF THE TOWN OF ERIN:

If you or anyone you know would like to have a name enrolled on the Erin Veterans' Memorial Monument, please get in touch with one of the committee members:

Beverly Schroeder, 262-628-1961

Franklin Tennes, 262-673-2723

Michael Eggleston, 414-651-0875

To be eligible, you must be a resident or former resident of the Town of Erin and also have a copy of DD-214, Honorable Discharge, or deployment orders by the Federal Government documenting your military history.

COMMUNITY NEWS

Highway J Update

On August 19, 2015, the Highway J Citizens' Group (HJCG) returned to federal court to stop the Wisconsin Department of Transportation's (WisDOT) latest attempt to widen Highway 164 near the Town of Erin. The HJCG is suing the U.S. Department of Transportation (USDOT), Federal Highway Administration (FHWA) and WisDOT in the U.S. District Court for the Eastern District of Wisconsin.

With this lawsuit, the HJCG is seeking immediate injunctive relief to stop this highway widening project and direct the USDOT, FHWA and WisDOT to comply with federal law which requires the preparation of a comprehensive Environmental Impact Statement that fully analyzes the indirect effects, cumulative impacts and reasonable alternatives to this project.

One of the proposed reasonable alternatives is to reduce Highway 164's speed limit to 45 MPH. According to proven past experience, simply lowering the speed limit to 45 MPH would reduce traffic accidents by nearly 80% (which happened back in 2000 when the speed limit was temporarily reduced to 45 MPH on Highway 164 for a five-month period). This "highly-effective, simple fix" would cost only \$8,000 instead of the \$20 million to widen the road.

To learn more about the HJCG's ongoing efforts to protect this beautiful Kettle Moraine area (including Erin), please call Jeff Gonyo at (262)644-8334 or e-mail him at: jmgonyo164@core.com.

SCHOOL NEWS

Erin School

District, by Kieth A. Kriewaldt, District Administrator

There is so much information to share. Here are just a few items:

In April 2015, we had a School Board election. The District would like to thank outgoing Board Member Jessica McMullen for her many years of service to our students, school, and community. We would also like to thank new Board Member Bridget Hubing and re-elected Board Member Cornel Rosario for serving on our School Board. Your service is greatly appreciated.

On January 23, 2015, Hartford Union High School released an announcement about looking into a K-12 consolidation. On March 9, 2015, HUHS held an informational meeting. Some of our Board Members attended the informational meeting and had discussions about a K-12 consolidation. The Erin School Board sent the HUHS Board President a letter about where Erin School District stood on the idea. The Erin School Board believes we can work together with HUHS and make our school districts the best in the state, but this is not going to happen if the push is to be one consolidated district at this time. With all the rapid changes in education, we believe the best way to manage this is to remain smaller so our school can respond more quickly to the changes. To make change effective, working as a team is critical. Erin School calls upon the HUHS Board to step back from the consolidation idea at this time and focus its efforts on aligning common paths to help all students leaving K-8 schools and going to HUHS to be successful.

Over the summer months, Erin staff members worked diligently to review, revise and renew curriculum in the core academic areas. Many teachers attended workshops in the area of reading, writing, math, science and social

studies. In June, Erin School District and Richfield School District collaborated to host a three-day

training session for 60+ teachers from various school districts. With this continued training, Erin School District is preparing our students to be successful for their high school experience and beyond. While the students enjoyed a relaxing summer break, the learning did not stop for the staff.

A big thank you to all the people who help daily to make our school run smoothly. This year, Erin Hills Golf Course is again donating its facility and course for our 2nd Annual Erin School Fun Run/Walk on October 31, 2015. Please join us! We also appreciate local businesses such as Fox Bros. Piggly Wiggly, Robert's Frozen Custard, MJ's Marketing & Catering, and many more. Their small and large contributions really help make this school event very special.

District Secretary, by Donna Runte

Erin School offers child care for our students:

- Early Morning Care – Students may be dropped off in the multi-purpose room as early as 6:15 AM
- 4K Extended Day – for parents needing their children to be here outside of the regular 4K classroom time.
- After-School Care – Students can be picked up after school as late as 6:00 PM

There is an hourly fee for these programs. Please contact the front office for more information.

Many community members inquire about using the school building and equipment. School Board Policy 834 - Temporary Use of School Facilities – and 834(R) – Temporary Use of School Facilities Rule – will answer most of your questions. These can be found on the District webpage under “District” – “School Board” – “Policy.”

Keep an eye on our website, www.erinschool.org, and our Facebook page, “Erin School District,” for up-to-date information on Erin School.

Continued on Page 11

COMMUNITY NEWS

WASHINGTON COUNTY HUMANE SOCIETY

Hey, animal lovers! Do you have some extra time you are looking to fill? The Washington County Humane Society (WCHS) is looking for adults to volunteer within our organization. Located between Slinger and Jackson on Hwy 60, WCHS is full of animals waiting for their forever homes.

While at WCHS, the animals are cared for by staff as well as some dedicated volunteers.

For starters, morning cat cleaners ensure the animals have fresh food and water and tidy up their cages. During the clean, cats are given time out of their cages to play and get attention from cleaners.

Throughout the morning, dog walkers and cat socializers are in full force. They take time to visit with cats to allow them further time outside their cages. In turn, adoptable dogs are given a daily

walk. Whether you prefer a nice stroll down a country lane or a brisk walk in the fall colors, WCHS has a dog for you to walk!

Once WCHS Viewing Hours open, adoption counselors (ACs) come to help customers find the perfect new pet. ACs answer questions about the animals, discuss lifestyles and give suggestions on what animal may be a fit for them. Many retirees have professional skills that make them the purr-fect fit for this position!

Aside from daily programs, WCHS has other ways to volunteer. Interested in joining our volunteer team? Visit www.wchspets.org or call Kerry at (262) 677-0731 to learn about all the ways that you can volunteer.

COMMUNITY NEWS

St. Patrick's Preservation Group

July 13, 2015, was a memorable day at St. Patrick's, as one of the large trees on the property came down during a severe storm. The couple who reside at St. Patrick's Rectory commented that it truly was "miraculous" that no damage was done to the rectory or church, considering the size of the tree and how it fell between the two buildings. Those of us who have been involved with the St. Patrick Preservation Group since July 1999 are so thankful for God's continued protection of our 160-year-old historic St. Patrick's Church, rectory, cemeteries and grounds.

The Annual Old St. Patrick Cemetery Meeting was held on July 30, 2015. Pat Nickols, who oversees the family trust for the care and preservation of Old St. Patrick's Cemetery, along with her husband, Tom, granddaughter and great-grandson did a walk-around at Old St. Patrick Cemetery prior to the meeting at St. Kilian's. Plans for this year's Old St. Patrick Cemetery preservation include back lot line clean-up, which has already begun, and an as-yet-undetermined amount to be spent for headstone repair.

For continued updates on the St. Patrick Preservation Fund, please visit our website at www.savestpatrick.com. Join us the second Tuesday of each month at 7:00 PM at the Erin Town Hall. St. Patrick Preservation Fund memberships are reasonably priced at \$5/Single and \$10/Family. If interested, please contact Maureen Fitzsimmons-Vanden Heuvel at (262) 670-0975 or e-mail her at SaveStPats@aol.com. Remember, all donations to the St. Patrick Preservation Fund are tax deductible.

To get a copy of the 150th Anniversary History Book of St. Patrick's Church, please e-mail Mary Hasslinger at mary.weddingday@att.net.

SCHOOL NEWS

Erin School, *continued from Page 8*

Curriculum, by Joannie Kalina

Erin School students continue the tradition in academic excellence measured by both local and state assessments. One way we measure our student learning in-district is by using fall and spring Measures of Academic Progress (MAP®) assessments. This computerized test allows us to compare our students against their own growth and the scores of other students throughout the nation. Last spring our students participated in Badger Testing. We are anxiously awaiting school results. Individual reports were sent home to families. Our students should be very proud of their hard work.

In addition to academics, our teachers strive to help our students build strong character and develop life-long skills for success. This year our school-wide theme is *Steps to Success*. As part of this theme, our middle school students partner with elementary buddies to explore the ways to be successful, including *Making Healthy Choices*, *Being Resilient* and *Being Accountable*. Strong academic successes along with opportunities to build strong character make Erin School a school of choice.

We are very grateful for our supportive family partnerships at Erin School. A Curriculum Night was held September 29, 2015. We will also host a Math Family Game Night in March. Many families attend these evenings of fun and learning. Working together helps us to provide the very best academic support for all students.

SCHOOL NEWS

Building and Grounds

by Debbie Fenney, Director

We continue to work hard to keep your school building in proper working order and updated. Over the last year, the school has updated several exterior windows, tuck-pointed several areas on exterior walls, rebuilt motors on the boilers, and fixed several walkways leading into the school. We are looking at several projects this school year such as additional window upgrades, interior painting, and replacing flooring, ceiling and library carpets. All these projects are subject to having the funds available within the budget.

This year, Lucas Hasby completed his Eagle Scout Project on our school grounds. Lucas raised the funds to build exercise stations around our track, just west of the school.

These stations are being used daily by our students and community members.

We thank the local Girl Scout troop for cleaning up and adding bird feeders to our courtyard. With this upgrade, we have already seen many new birds visiting our trees within the courtyard. We thank the community for their continued support of our building and grounds.

Volunteer Coordinator

by Sue Lisko and Sophie Matthys

We would like to thank the many volunteers who helped out this year to make the Volunteer Program a success! Anyone in the community who is interested is encouraged to volunteer. We have many areas in need of volunteers every year. Our whole Erin School Staff feels very fortunate to have parents, grandparents, and people from the community enrich our school with their endless energy and positive support.

We wanted to take a second to thank Mrs. Lutz for the many years she has helped out in the copy room along with many other projects. With her

daughter graduating this year, we're so grateful for the countless hours she's helped out at the school. There are over 35 volunteers who come in regularly or at a moment's notice to help out, putting in over 1,600 hours. We thank everyone for their support, help and positivity.

If you are interested in helping during the upcoming school year, please let me know by contacting Sophie Matthys in the front office. You will be trained in the area that interests you. Help is needed with projects at home or at school – one-time or ongoing opportunities to fit into your availability to volunteer.

Again, thanks to all who have volunteered this year! We look forward to seeing many of you again and some new faces this school year.

Book Keeper

by Cheryl Johrendt

At this time, the District is diligently working on finalizing the budget for the 2015-2016 school year. The Board is aware of the need for preventative maintenance and has budgeted additional funds for building upkeep projects such as new carpeting in the library, flooring in various areas of the building, ceiling tile replacements and boiler replacements. These issues were discussed at the annual meeting held on September 28, 2015.

As a service to our parents, the District is once again offering a morning care program for students who need care prior to the start of the school day. Students can be dropped off at school any time after 6:15 AM. We continue to offer after-school day care, which is available to both current students and any community families needing child care after school. The care is available until 6:00 PM Monday through Friday. In addition to the before- and after-school care, the District offers an Extended Day program for our 4-year-old Kindergarten students who need to have care in the mornings before afternoon classes. These programs are self-sufficient and do not rely on District funds. More information on the programs can be obtained from the District office.

SCHOOL NEWS

Athletics, by Andrew Andress, Athletic Director

Erin School athletic teams have finished another successful school year. We had 37 girls and 44 boys from grades 5 through 8 participate in basketball this past winter. The volleyball season in the spring had 42 girls and 12 boys in grades 6-8 who worked hard to improve their skills and participated in their conference tournaments at Arrowhead High School in mid-May.

Our student-athletes and coaches continue to be terrific representatives of our school and community. Parents have continued to be an integral part of Erin's success by supporting their children and the Erin coaches, working in the

concession stand and being positive examples of good sportsmanship in the stands. The values of competition, improvement and sportsmanship are stressed and exhibited by all teams.

Through some generous donations and the sale of some old athletic apparel, we were able to purchase new girls' the 2015 season. These new reversible uniforms replace uniforms that were between 12 and 15 years old. We continue to be very fortunate to have a nice gym and great workers for our athletic contests. These new uniforms will complement the excellent attitudes and hard work the players exhibit on the court. We will be looking to replace the boys' uniforms in the next few years as they become dated as well.

COMMUNITY NEWS

SCHAUER ARTS CENTER

The Schauer Arts Center is pleased to announce that Joseph Konrad has been selected for the position of Executive Director. As Executive Director, Joe is responsible for the overall operations and management of the Schauer Center.

“We are so delighted that Joe has joined the team,” stated Schauer Board President Tracey Berg. “We considered several qualified candidates and are confident that Joe’s depth of experience in non-profit leadership is the right fit for the current and future needs of the Schauer Center.”

Originally from southeast Wisconsin, Joe received a Bachelor’s degree in Business Administration from Columbia College, a Master’s degree in Organizational Management from Chadron State College, and a graduate certification in Fundraising Management from North Park University. He previously served as the Executive Director of Battle Creek Area Habitat for Humanity in Battle Creek, Michigan and most recently worked as the Director of Administration at St. Boniface Catholic Church in Germantown, Wisconsin. His enthusiasm for the arts comes from growing up in a family that operated movie theaters in southeast Wisconsin.

Of all the places we could have picked, my wife and I chose Hartford as our new Wisconsin home,” Joe said. “It’s a small, family town, but it has such rich recreational and cultural resources, with the Schauer Center being one of its main anchors. It is really a jewel in our community.”

Filled with culture and history, the Schauer Center was transformed from a canning factory built in 1919 into a non-profit, regional center for the arts that inspires creativity and

connects people. The Schauer Center, which opened in 2001, presents professional touring performances in the Ruth A. Knoll Theater and regional artwork in the Suckow Family Art Gallery. It also serves as a home to community arts groups. For more information on upcoming events and classes, visit SchauerCenter.org or call (262) 670-0560, ext. 3.

Erin Park Update

Continued from page 12

Thanks also go to: Chairman Dennis Kenealy for his support during the Park Superintendent transition and his help with the Volleyball Court; Supervisor Pat Landon for his invaluable knowledge (and free advice!); and Town Clerk Julie Kriewaldt.

In closing, a reminder to all our dog lovers/walkers—Erin Park is not a “dog park.” Dogs must be leashed at all times (6-foot leash held in your hand) and cleaned up after for the safety and enjoyment of all Park patrons.

Erin School

Athletics

Continued from Page 13

As the 2015–2016 school year begins, Erin School looks forward to another rewarding year for all our students. Erin School hosts the 5th grade Girls Conference Basketball tournament between November 30th and December 5th.

Finally, we wish to extend our congratulations to all our Erin alumni who continue to represent the Erin community so well in a variety of extra-curricular activities in high school and beyond. Erin is routinely well-represented on many HUHS teams and clubs. We are proud of these students and wish them continued success.
