CLERK’S CORNER

JULIE KRIEVALDT, TOWN CLERK

Presidential Preference/Spring Election Date: Tuesday, April 5, 2016

Please bring your Voter ID along. For approved forms of Voter ID see www.bringit.wi.gov

If you need to register to vote, please bring your proof of residency along. See the www.gab.wi.gov/ website for the list of approved Proof of Residency.

Absentee ballots that are to be mailed to voter: Must be requested in writing and be accompanied by a copy of your Voter ID unless you are an indefinitely confined voter, active military voter, or permanent overseas voter.

Absentee ballots, voted in the clerk’s office: Must also show your Voter ID.

Please remember you must be a registered voter in the Town of Erin to receive an absentee ballot. If you moved or have a name change since the last election you must reregister. If you need to register to vote, to save time on Election Day, you may do it in the clerk’s office up to the Friday before the election. You can register by mail up to 20 days before the election but must include a copy of your proof of residency.

New in 2016 will be a new election machine. Please be patient as it is also new to the Election workers.

PLAN COMMISSION NOTES

Sean McMullin has resigned as Plan Commission member. I want to thank him for all the time and help he provided to the Town. We are in the process of looking for a person to fill Sean's position. Please contact the Clerk if you are interested.

The Plan Commission and Town staff are starting the process of planning and permitting for the 2017 U.S. Open. We are working with Erin Hills to make this event as successful as possible. Part of that involves making sure that the Town does not incur unnecessary costs. We are working with the organizers to assure that all additional permitting costs will be paid by the organizers and there will be no cost to the Town taxpayers.

COMMITTEE REPORTS

Chairman and Executive Report

We have elections for two Town Board Supervisors this Spring. Details and dates are available through our Town Clerk.

The Town Board, with the approval of the Town electors at our annual meeting, approved more funding for our roads for next year. The exact roads to be worked on will not be known until this Spring when the Roads Committee makes those decisions. We try to get to those most in need, but limited funds and coordination with other municipalities can delay specific projects.

The Town has been operating without a Park Board for the last several months. Maureen Fitzsimmons-VandenHeuvel has filled the position of Park Superintendent and has done a very good job. The Town and Executive Committee will be looking at the future structure for that Department, including whether a Park Board is needed at this time. That review will also include an update of the Park regulations, trying to clarify some of the areas, including Park hours.

The Town will also be discussing our insurance needs and reviewing some proposals to keep our insurance costs as low as possible and still cover our property.

Emergency Government

I have had a few meetings already to start the planning process for the U.S. Open that will take place at Erin Hills in June 2017. They have included other Town staff and officials, along with Erin Hills representatives, USGA officials, and the Sheriff. We are in the preliminary stages, but I will be very involved in the emergency operations planning and approving the overall plan of operations for the event, as I am also a member of the Town Plan Commission.

I will also still be doing the regular operations of the Town's emergency management. This will be a huge event, not only in terms of number of visitors to the Town, but also for the intense media coverage that will come with it. Some additional Town ordinances may be needed, which I will research, and if necessary, present to the Board. Have a safe and happy summer.

Park Report

To all of our Frisbee Golf enthusiasts: I am sure you are now aware that the Hole 3 golf receptacle is missing. We had a theft in early October, which was reported to the Washington County Sheriff's Dept. A new golf receptacle has been purchased and is awaiting installation as soon as warmer weather arrives. I want to thank Todd Kozlencr for all his help in ordering the replacement basket. Todd has also graciously offered to oversee the installation.

Tree pruning and landscape bed clean-up continued during the fall and now into winter, thanks to Rob Goetz. We had a fall weed-and-feed done in the Park and on soccer and baseball fields at the end of the soccer season. We also had aeration done on the baseball and soccer fields this past fall as well. The park and fields should be in great shape come spring.

Upcoming projects include repainting the outside of the Town Hall and making a decision on the best way to repair and maintain the Town parking lot.

It was great to see so many adults and kids utilizing the Erin Park sledding hill after our first major snowfall in late December!

Town Brush Pit

The Brush Pit is open the months of April through November on the second Saturday of each month from 8 AM to 12:00 Noon. The hours are limited due to the additional responsibilities of the highway department for road maintenance and construction. Please keep in mind that only brush – not scrap lumber, piles of leaves or any other type of rubbish – is acceptable..

Tires & White Goods Recycling

The Town's Tires & White Good Recycling Day will be April. 9, 2016, 8:00a.m. until noon . Please watch the website or newspaper for more information including prices. It is always on a Saturday morning. Please be ready to pay the fee to recycle what you drop off. You can bring old tires, stoves, refrigerators, freezers, washers, dryers, or humidifiers. Please do not bring in iron filters or electronics as they cannot be accepted.

Holy Hill

By Dr. Mary Anne Urlakis

A visit to the Basilica at Holy Hill was extra-special during the Christmas Season.

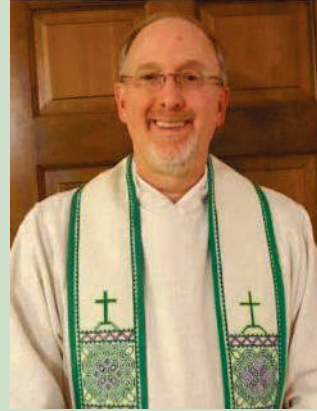

Visitors were delighted by the vibrant display of poinsettias, garlands, eleven lighted Christmas trees, and traditional nativity scenes. Each year, Mrs. Deb White and the crew of sacristans, maintenance workers, and volunteers labor for weeks to create and maintain the magnificent Christmas display. Just before Christmas, the crew worked up to four hours per day arranging the 200 red and white poinsettias, hanging wreaths, fluffing garlands, resetting bows, stringing lights on trees, lighting candles on pillars and strategically placing cherished, fragile figurines in all four crèches. Throughout the weeks of Christmas, sacristans and volunteers continued to devote hours to watering and maintaining the poinsettias and trees, as well as changing and lighting a multitude of candles. A sincere round of applause for the efforts of this dedicated crew.

St. Paul's United Church of Christ

Worship Service – 9:30 AM

St. Paul's United Church of Christ-Erin is pleased to announce the calling of their new pastor, Rev. Glenn Danz. Rev. Danz comes to St. Paul's after serving for past 24 years at congregations in Green Bay, Madison, Milwaukee, Columbus, OH, and Reading, PA. Most recently, he served as Interim Pastor at Vernon Presbyterian Church in Big Bend, WI. Rev. Danz began his ministry at St. Paul's UCC Erin on January 11, 2016. His wife, Stephanie and son, Gabriel, have joined him. St. Paul's is blessed.

JACK RUSSELL MEMORIAL LIBRARY

The Jack Russell Memorial Library at 100 Park Avenue in downtown Hartford invites all Erin residents to visit the Library to check out the variety of materials and programs that are available to patrons of all ages. The Library is open Monday through Thursday from 10:00 AM to 8:00 PM, Fridays from 10:00 AM to 5:30 PM, and on Saturdays from 9:00 AM until 2:00 PM. Library cards are issued free of charge to Erin residents by providing a photo ID and current address.

The Youth Library has an exciting line-up of programs for this spring and is continuing a program called Parachute Play, a story time geared just for active toddlers (ages 18 months – 3 years)! Toddlers can learn through parachute play to stories and songs. Registration is required and is limited to 10 children per session. Toddler Time resumed on Thursday, January 28 at 10:30 AM and Preschool Storytime is back on Tuesday mornings at 10:30 AM and Wednesday afternoons at 1:00 PM. The monthly Lego program is also back on the first Tuesday of every month from 3:30 PM-4:30 PM. No registration required.

Join the 1,000 Books before Kindergarten program! This free program encourages you to read 1,000 books with your child before he or she enters school. One of the best ways to encourage learning is to spend time sharing books every day. Reading together helps develop important pre-reading skills that provide a solid foundation, a key to school and learning success. Plus, sharing stories together is fun and rewarding! Sign-up at the Children's Desk for all children who have not yet begun K5! Take your time! It's okay if Kindergarten starts while you're still reading! When you finish all 1,000 books we will have a group celebration to celebrate all our fabulous young readers.

The Library is pleased to be a partner in the 2016 Money Smart Week from April 24 – 30. As part of this event, we will be hosting a community-wide

shredding in the parking lot from 10:00 AM-Noon on Saturday, April 30. Community members may bring two (2) banker-size boxes to be shredded free of charge! More details and information will be available on our website, Facebook Page and at the Library closer to the event.

Please like our Facebook Page, Jack Russell Memorial Library, for program announcements and other information about the Library. The drive-thru book return on the East side of the building is always open for dropping materials off. More detailed information on all our weekly programs is available at the Library or on our website at www.hartforlibrary.org. Please call us at (262) 673-8240 for more information.

Roads Report

Spring is around the corner. Erin road crews will be patching holes, cutting brush, chip sealing roads, and performing major road rebuilding throughout the summer.

For the safety of the drivers on Erin town roads, visual and physical barriers placed in the road right-of-way should be avoided. Most roads in the Town of Erin have a 66 foot right-of-way, typically measured 33 feet from the center of the road. Planting trees or shrubbery or placing other non-moveable objects in the right-of-way is not allowed.

When driving down town roads, please be careful of town construction crews.

SCHOOL NEWS

Erin School

District, by Kieth A. Kriewaldt, District Administrator

The Erin School Board is committed to providing our students with the best education within our financial means. The Erin Community has a public school of which it should be proud. Your support for our school allows us the chance to help students receive a strong academic core of instruction by staff who know how to reach each child's potential. We are grateful for this opportunity.

The Board is working hard to ensure your school property stays in top shape, your teachers can do their jobs, and students continue to learn. The Erin School taxpayers are encouraged to stop by the school to see how your school taxes are being used.

District Secretary, by Donna Runte

4K and 5K Registration

4K and 5K registration is now taking place. If your child will be 4 or 5 years old on or before September 1, 2015, and is not currently attending Erin School, please see our website for a registration form, or stop by the office to pick one up. If you have any questions, please contact Donna Runte at 262-673-3720 ext. 4105 or runte@erinschool.org.

Open Enrollment –February 1 thru April 29, 2016

The Open Enrollment Program allows parents to apply for their children to attend school districts other than the one in which they live. Students in 5-year-old Kindergarten to grade 12 may apply to participate in open enrollment. Open Enrollment for 4-year-old Kindergarten and Early Childhood Education is limited. Please contact Donna Runte to find out if your preschool-aged children qualify for Open Enrollment.

How and when parents may apply?

The Open Enrollment application period for the 2016-17 school year is from February 1 through April 29, 2016. *Late applications will not be accepted for any reason.*

Parents may apply on-line during the application period at <http://dpi.wi.gov/open-enrollment>. If you do not have access to the internet, please contact us.

For more information, please contact Donna Runte, at Erin School at 262-673-3720 ext. 4105 or runte@erinschool.org or visit <http://dpi.wi.gov/open-enrollment>.

Erin School District is required to locate, identify and evaluate all children with disabilities, including children with disabilities attending private schools in the school district, and homeless children. The process of locating, identifying, and evaluating children with disabilities is known as Child Find. If you have concerns regarding your child, please contact the school at 262-673-3720.

Book Keeper, by Cheryl Johrendt

Erin School has been the fortunate recipient of many generous gifts received throughout the year. The gifts have come in many different forms ranging from volunteers helping here at school, monetary donations or technology equipment donations.

Any monetary donation the District receives is placed into a Gift Fund. The funds in that account are used specifically for items that are not planned for in the operating budget. Examples include, but are not limited to, school-wide assemblies, unique materials/projects or assisting a student whose family is unable to pay for a field trip. If you would like to see a classroom receive any specific item, we can work with your donation to fulfill that wish. Donated iPods, iPads, Kindles or Tablets are a wonderful addition and enhance the quality of learning.

All items donated will be acknowledged with a receipt from the District that can be used for tax reporting purposes.

If you would like further information on how you can donate to our school, feel free to contact Dr. Kieth A. Kriewaldt or me.

SCHOOL NEWS

Building and Grounds, by Debra Fenney, Director

Over the winter break, we completed several projects. All the classrooms were cleaned and disinfected. The main floors were scrubbed and burnished. Our head maintenance person replaced all air handling filters and replaced broken floor and ceiling tiles.

We painted door jambs and the lower half of the gym. The lockers are also getting a new coat of paint. D.K.'s Electrostatic Painting painted the middle school and locker room lockers over Christmas break and will finish the lower level lockers over Easter break. We had emergency lights installed in the gym bathrooms and middle school.

Volunteer Program, by Sophie Matthys

This year the Volunteer Program at Erin School is being handled by the front office. The program continues to invite parents and community members to volunteer. We have 35 volunteers either doing projects from home or coming into the school. We have many new faces this year along with those who have been coming in year after year. All areas of the school are being helped out by the program and the staff is grateful for all the assistance. We welcome the Erin community to volunteer at school. There are many areas to volunteer and many ways to volunteer.

For more information, or if you are interested in volunteering, feel free to contact Sophie Matthys by email at Matthys@erinschool.org or call 673-3720.

SCHOOL NEWS

Curriculum, by Joannie Kalina, Director of Curriculum & Instruction

At Erin School it is our goal to prepare students for success in high school and beyond. We provide rigorous academic experiences that help our students achieve excellence. Our teachers continue to focus on reading, writing and critical thinking using *The Reading and Writing Workshop Framework* developed by Lucy Calkins. We are currently in our third year of implementation using the Dana Center curriculum model for mathematics. Our teachers continue to grow their math knowledge through work with a math coach and by attending professional summer learning opportunities. This year we are also reviewing Next Generation Science Standards and our instructional resources.

In addition, our teachers work hard to bring student learning to life through projects and special opportunities. Our 3rd Grade teachers are hosting a wax museum on February 26th. Each student researches and embodies a special person in history. During the evening of February 26th, our 8th Grade students are hosted a History Fair. This encompassed learning goals in science, social studies and English Language Arts. The students followed the National History Day 2016 theme of *Exploration, Encounter & Exchange in History*. In addition, dance, art and music throughout History were highlighted as well. We welcomed many families and community members to these events to witness our learning “on display.”

We are also grateful for our Community partners who again provided fitness opportunities during our indoor Fitness Friday on February 19, 2016. Thanks also to the Schauer Arts Center for allowing Erin School to host our holiday performance in such an authentic theater setting. After our full middle school performance, our 8th Grade students performed *Holiday Hoedown*, a musical the students have been preparing since September. At Erin School we are confident that these special offerings, together with strong academics, provide a truly well-rounded curriculum.

Erin PTC, by Sophie Matthys

The Erin Parent Teacher Club’s mission is to “*Support our students’ learning by partnering with the school district to provide resources and enhance communication.*” On that note, the PTC would like to share the following information:

Upcoming Events:

- Grandparents’ Days is planned for May 6th. Our elementary students put on two performances for our grandparents. If you don’t have grandchildren here but are interested in attending, please give us a call. You are more than welcome to attend.

Past Events:

- Fall Fest was a great hit for our little guys. The first Saturday after Halloween, the PTC puts on a little activity for the students. We have food and games for them to play. It also gives the parents an opportunity to get to know each other.
- Christmas Craft is an event where students can make a personalize ornament. The students are also encouraged to write a letter to an active duty member of the service. These letters and cards are passed on to the different branches and delivered to service members all over the world.
- Annual Erin School Fun Fair will was Saturday, March 12th. It was open to the community. Games, food, talking with neighbors and friends, and a raffle for a chance to win \$1,000. Fun was had by all. Please join us in 2017!!
- Original Works is an opportunity for our students’ art work to be placed on various items such as dinner plates, coffee cup, or ceramic tiles.
- This year the PTC provided each classroom two games of their choice. These games can be used when we have inside recess.
- Again this year we sponsored the Erin School Running Club. We had over 100 students stay after school and participate in various running activities. Some of our students then participated in several local track and field events.

(Continued on next page)

SCHOOL NEWS

Erin PTC, *continued from Page 10*

Ways to Help:

- Collect Box Tops for Education and turn them into the school. We get 10 cents for each box top. Every one turned in helps us do a little more for the students and school. For the Fall collection we raised over \$700 from the little box tops. Please help collect these.
- Purchase Gift Card via Scrip. The school receives a percent for each gift card sold. If you are interested, please see the following link <http://www.erinschool.org/community-news/erin-ptc.html> or visit the District web page for more information.
- If you order from Amazon, consider ordering from Amazon Smile and make Erin School the organization you support. Amazon will direct a percentage on qualified purchases to Erin School

PTC. Go to: <https://smile.amazon.com/ch/39-6025881>. This costs you nothing and is a way Amazon is giving back to our organization.

Future Projects:

- Additional playground equipment/sand box for elementary students
- Replace gym bleachers
- Build larger shed/garage
- Fund school security camera

The Erin PTC is happy to help the students, parents, school, and community by taking on projects which cannot be funded by the school. This can only be done with your help and support.

Athletics

by Andrew Andress, Athletic Director

The Girls' Basketball season wrapped up in early December. Thirty girls participated in Grades 5 through 8. Erin School successfully hosted the AMSAC 5th Grade Girls Basketball tournament the week of November 30 through December 5th.

The tournament was won by a team from Swallow who defeated another team from Swallow, with Richmond being the 3rd place winner. Boys' Basketball started January 4th with 40 boys in Grades 5 through 8 signed up.

Erin has also been host to multiple adult volleyball open gyms for many years as well. We enjoy seeing players of all ages utilize our beautiful gym!

Erin Baseball

It's time to start thinking bats, balls and gloves!

Baseball is ramping up towards another great season with two teams at all levels.

We have some returning sponsors and some new ones we are very thankful for!

First Bank Financial Centre
Robert's Frozen Custard
Landmark Golf
ServPro
Tooth or Gum
Waste Management
Anonymous Sponsor
Billy Brown Insurance
Tally Ho

Thank you to Mark McCune and First Bank Financial Centre for stepping up again to sponsor our hats!

We also are fortunate to have back many returning head coaches and some new faces there as well:

AAA—Mark Hlava, Brian Rhodes
AA—Dennis Kenealy, Elliott Stone
A—Darren Stamm, John Luby
1st/2nd—Jim Schwalbach, Elaine Gonya,
Tball—Jeremy Schlitt, Ken Lipske

The coaching staff would not be complete without all of our assistant coaches, nor could Baseball run without our board and a myriad of other volunteers.

Finally, thank you to all participating families. Without your support, there would be no baseball!

Things are sure to be exciting this year as we're playing in a new league along with Slinger, Richfield, Hartford and Jackson.

Games will be underway in late May and run through mid-July. Hope to see you at the Park!

WASHINGTON COUNTY HUMANE SOCIETY RUNNING WITH ROVER

Exercising with your dog is an excellent way for you to keep in shape yourself ... and it can result in a well-behaved and happy canine companion. However, before you engage in a strenuous exercise program for you and your dog, it's important to keep the following in mind:

- Be sure to have your dog seen by a veterinarian to ensure he is healthy and does not have any medical problems.
- Start with regular walks, and slowly increase the pace and distance to build up your dog's stamina.
- Jog on grass, dirt or sandy surfaces whenever possible. Your dog's paw pads can be cut or abraded by concrete and asphalt.

- Don't jog immediately after your dog has eaten or has drunk a lot of water. Some dogs can develop bloat, a life-threatening condition.
- Be aware of weather conditions, and signs of heat exhaustion in your pet. Paved surfaces get hot in warm weather, and in winter, ice-removing salt and chemicals can hurt your dog's paws.
- After your jog is over, check your dog's feet for injuries to the paws, pads and nails. Watch for lameness and soreness the next day, and if you see signs of injury or illness, see a veterinarian immediately.

SCHAUER ARTS CENTER

The Schauer Arts Center is proudly welcomed two Grammy Award-winners who were added to the 15th Anniversary season: Lead guitarist of GENESIS, Daryl Stuermer, and RFD-TV favorite, Marty Stuart. Back by popular demand, both performers have

previously performed for near sell-out crowds in the Ruth A. Knoll Theater. Virtuoso lead guitarist Daryl Stuermer of the super-groups GENESIS and Phil Collins Band returned on Saturday, March 12th. Stuermer's ability to blend rock and jazz has delighted audiences around the world. After being discovered while playing with his Milwaukee band, Sweetbottom, Stuermer began his 30-year

stint as the lead guitarist for GENESIS in 1977. In the early '80s, drummer/singer Phil Collins launched a solo career in which Stuermer became an integral member by creating the signature guitar sound for *In the Air Tonight* and *Easy Lover*, and co-writing the Grammy Award-winning *Something Happened on the Way to Heaven*.

American music icon Marty Stuart will wow audiences with his showman's zest for every flavor of country music on Saturday, April 2 at 2:00 & 7:30 PM. Marty began with gospel as a child, dabbled with bluegrass, and spent years performing with Johnny Cash, until he came up with his signature "hillbilly rock." Top 10 hits, like *Hillbilly Rock*, *Tempted*, and *Burn Me Down*, helped the singer-songwriter-instrumentalist earn countless nominations. Accompanied by His Fabulous Superlatives, Marty mixes bluegrass-inspired originals with traditional honky-tonk favorites.

Tickets to Marty Stuart are

\$39 or \$35 for adults and \$10 for students.

Tickets can be purchased at the Schauer Center Box Office Monday through Friday from 11:30 AM to 5:30 PM and Saturday from 11:30 AM to 2:00 PM at 147 N. Rural Street in Hartford; charge by phone at 262-670-0560, ext. 3 or online at Schauercenter.org.
