REPORTS

Clerk’s Corner by Julie Kriewaldt, Town Clerk

General Election

The General Election will be held on November 6, 2018 at the Erin Town Hall. The polling place is open 7:00 AM to 8:00 PM. This will be the biggest election of the year so be ready for longer lines when voting. In-person absentee voting begins October 22, 2018 and ends Friday November 2, 2018, Mondays – Thursdays 8:00 AM to 4:00 PM and Friday November 2, 2018 12:00 PM to 5:00 PM.

Remember, if you moved and have lived at your present address at least 10 days or changed your name -- YOU MUST RE-REGISTER before you vote. There are four ways to re-register:

- 1) If you updated your driver’s license with the Department of Motor Vehicles you can re-register at myvote.wi.gov. If you choose to do this on-line you must do it at least 20 days before an election
 - 2) You can fill out a registration form and mail it into the clerk but MUST include a proof of residency (at least 20 days before an election)
 - 3) You can come into the Clerk’s office with your proof of residency to re-register
 - 4) You can also re-register on Election day with a poll worker (don’t forget to bring your proof of residency).
- See you November 6, 2018!

Tax bills

The tax bills should be available by mid-December. This year the County switched to a new tax program. We will also be working with a new dog licensing program. Please be patient as we switch over to these programs. The tax-paying rules are still the same. The Town can accept tax payments up to January 31, 2019 and the checks should be made out to “Town of Erin”. Tax payments made after January 31, 2019 should be made out to Washington County Treasurer and mailed to Washington County Treasurer, Room 2053, 432 E. Washington Street, West Bend, WI 53095-7986.

Christmas Tree Drop-off

The Town of Erin will again have the Christmas Tree drop-off (we do not pick

REPORTS

up). Christmas tree drop-off will start December 26, 2018 and end January 18, 2019. The drop-off area is in back of the Town Hall and will be marked with a sign.

Recycling of large household items:

The Town of Erin had their first ever – recycling of Large Household items event. It was held on August 25, 2018 at the Town Hall sponsored by Wisconsin

Disposal. It was free to Erin residents. Each resident could bring in two large household items to put in the dumpster. Items such as a mattress, couch, hutches, chairs, etc. were accepted. One dumpster was completely filled. In 2019 the event will be planned to be held with the Town's regular tire recycling event. Watch the website for the event date.

Town Chairman and Plan Report by Dennis Kenealy

There is not much to report at this time. Things have been running smoothly this summer. The Plan Commission continues to meet regularly due to numerous building requests. There has been a lot of activity in the Town particularly as to requests to build accessory structures.

The Executive Committee and the Town Board will begin the budget process in October. We have not had any unforeseen large expenses so the anticipation is for a normal budget as to income and expenses.

The Town has proceeded with Plans to remove the house on Town property commonly known as part of the Horseshoe bar complex. That will provide more area for potential park use.

Roads Report by Patti Weix

When will my road be fixed?

One of the most frequently asked questions is “when

will my road be fixed?” The Town maintains 56 miles of road and we have an annual schedule for road repair. Last year the Town spent approximately \$390,000 for new roads, crack and pothole filling, maintaining ditches and shoulders. This allows us to reconstruct approximately 1 mile of road each year. That amounts to less than 2% of the total roads in Erin. It's clear that we have a very limited budget to meet the needed road improvement demands.

Ideally the Town should be spending approximately \$740,000 per year to pave all the roads within 30 years. This is almost double what we currently spend. Why 30 years? 30 years is considered the best management practice to maintain good, safe road conditions. At the Town's present rate we're on-track to pave our roads once every 56 years!

We're sharing this information to put the Town road repair situation in perspective. Every dollar spent on repairing a road must count toward the long term use of the road. Repairing a road for long-term use requires proper preparation. To insure the roads will last nearly a lifetime means clearing the road right-of-way to remove trees, brush and rocks. Removing the excess overhang to allow for new growth over the life of the road also prevents damage to the road caused by excess shading. To resolve problems caused by standing water, shoulder repair, ditches, and culverts must also be done before repaving a road. Clear shoulders and visibility corners must be maintained for safe passage for cars, trucks, buses, RVs and delivery vehicles, pedestrians and bicycles.

We appreciate your understanding as we work through the process of making your road safe and in good condition. Please feel free to contact the Town if you have questions and concerns about your road.

Emergency Management by Brad Bautz

Work began the week of September 10th to replace the bridge on County Highway Q over the Oconomowoc River in Monches. The bridge was

REPORTS

last updated in 1980, and it dates back to 1921, making it the oldest bridge in Waukesha County. As part of the reconstruction, the dry hydrant that the town installed in 2001 must be removed, reconstructed and replaced. The hydrant is used to pump water from the river for use during fires. Waukesha County has jurisdiction over that section of roadway and is replacing the bridge.

I am in the process of developing the budget for next year. Most likely, our costs to the fire departments will go up. I am also looking at replacing the AED at the town hall, as it is old, is no longer supported by the manufacturer, has eclipsed its lifespan, and the expensive battery is about due to be replaced.

The town is a member of the Lake Country Municipal Court. This court is where our municipal citations are heard. It is located on the second floor of city hall in Oconomowoc, above the police department. Every municipality has a representative on the court's administrative committee. The committee recently voted to move the court to the location of the new

police department in Oconomowoc. This came after the city advised that the court could no longer stay at its current location. It will likely be a year or more before the court will move.

Please follow the burning ordinance. Please be cognizant of conditions before you burn. Your fire **must be attended at all times**. You must be near the fire. You cannot burn during a burning ban. Do not burn if the wind speed is greater than 9 miles per hour. Violations can result in a citation from the town. The rules for burning are set forth below.

No burning permits are required

When fire danger is high, very high, or severe, all outdoor burning will be banned (this includes fireworks, which are already restricted by county ordinance) by order of the emergency management director, or town chairman. Outdoor cooking (i.e. grills) is an exemption. For such a ban I will notify the sheriff's office, and local

REPORTS/SCHOOL NEWS

radio stations. Notices will also be found on the town posting boards, and on the website.

At any time of year:

Open fires must be attended at all times

The jurisdictional fire department or preferably the Washington County Sheriff's Office must be notified of any bonfire in excess of 10 ft in diameter or if a large area of grass is burned (i.e. over ¼ acre).

Fires can't be started on the roadway surface and only leaves and grass can be burned in the right-of-way.

The burning of garbage, plastics, rubber, treated wood, petroleum products or anything that emits noxious or toxic odors is PROHIBITED. The DNR already bans the burning of these items as they pose a health hazard to residents if burned. DNR regulations also prohibit businesses from disposing of solid waste by burning.

The town does not regulate the discharge of firearms, so all regular state statutes and DNR regulations apply. Rifle hunting is allowed.

Have a safe and happy fall hunting season.

Erin Park, by Maureen Fitzsimmons-Vanden Heuvel

With the 10+ inches of rain in early September, the park looks wonderfully lush and *green*. Our part-time Park Manager, Todd Kozlencr and Park employee, Steve Leinberger have done a fantastic job keeping up with the mowing and outrunning the mosquitoes! Todd has also taken on many park projects and also maintenance issues in the Snack Shack. We are so appreciative of his expertise and cannot thank him enough.

The construction of the salt shed has been delayed, as we await final approval from the DNR regarding shed. Please see Park, page 10

Hartford Union High School

Focus on safety is a priority at Hartford Union High School. The tragic events at schools across the country have increased the need to continually improve our safety measures for students, staff, and anyone who enters our facilities. Through a thorough building safety and threat assessment, HUHS has made, and will continue to make, major improvements.

ALiCE Training Staff received this non-sequential, non-linear approach to a threat. It stands for Alert, Lockdown + Barricade, Inform, Counter, Evacuation. This approach trains everyone to develop options if a threat is imminent or occurs.

School Resource Officers (SRO) One 12 month officer and one nine month officer are on school grounds and in the building all day. The SROs are committed to getting to know students and forming positive relationships with them through their presence, both informally and in formal settings.

Tom Conrad has been with the Hartford Police Department for 25 years as a police detective and a member of the Washington County Multi-Jurisdictional Drug Unit. Currently, Officer Conrad is one of the department's evidence technicians.

Bob St. Onge has been a police officer for over 30 years, and with the Hartford Police Department for one year. Prior to this, he was with the City of Milwaukee Police Department.

Police Officers at Co-Curricular Events City of Hartford Police Officers will attend selected co-curricular events throughout the year. Those events have been selected jointly by our SROs and the administration.

Please see HUHS, page 7

SCHOOL NEWS

Erin School

District, by Kieth A. Kriewaldt, District Administrator

This year we had a very smooth start to the school year for our 420 students. There is so much information to share. Here are just a few items.

This year we have seen a spike in our enrollment by 30 students. Talking with new families, it appears homes in the district are starting to turn over. It appears that many of the people buying the homes have younger children and are enrolling the children in our school. We are also having a high interest from families outside the district through open enrollment. The school board has placed limits on the number of students whom we can accept so we are able to keep the class size between 18 and 22.

The staff has stayed consistent this school year. We added a full time special education teacher in January and were able to do a job share with another one of our special education teaching positions. Many staff members continued their training over the summer in both reading and math.

The building and grounds committee continues to meet and confer to keep your school property in top shape and energy efficient. Last year, we completed many projects, which include refinishing the gym floor, upgrading the playground area, patching and seal coating parking lots, removing failing ash trees, making safety improvements to the building, as well as updating a few of the areas within the building.

In April 2019 we will be starting the replacement and updates on our heating system. We are currently working with a firm to help us map out the steps to improve the energy efficiency of our heating system,

along with other possible projects such as the building envelope overall. The firm is starting to bid out the project and beginning to choose vendors to do the work. The project should be take place during the summer of 2019 and be completed by September 2019.

School Office

by Donna Runte, Administrative Assistant /District Secretary

Have you ever thought about being a substitute teacher? A Three-Year Short-Term Substitute license may be issued to an applicant who holds an associate degree or higher from an accredited college or university and who has successfully completed an approved substitute training program, but has not completed a state-approved educator preparation program. Once an educator holds a current Three-Year Short-Term Substitute license, they may short-term substitute at any Wisconsin school district that wishes to hire them. Erin School is looking to add to our sub list. If you are interested in learning more about this opportunity, please contact Dr. Kriewaldt at 262-673-3720 ext. 5000 to set up a 30-minute meeting where you will learn about Erin School, the requirements of the job, the training program, and how to apply for the license.

Are you interested in serving on a committee? We have many ways for you to get involved. Please give us a call, send us an email or stop by and let us know what you would be interested in.

Many community members inquire about using the school building and equipment. School Board Policy 834 - Temporary Use of School Facilities and 834(R) Temporary Use of School Facilities Rule will answer most of your questions. These can be found on the district webpage under "District", "School Board" and then "Policy". Please call if you have any questions.

Home School parents should register your child (ren) at <http://dpi.wi.gov/sms/homeb.html> If you are new to this and would like assistance, please feel free to contact us to assist you.

SCHOOL NEWS

Watch our website www.erinschool.org and our Facebook page for current events and the exciting things happening here at Erin School such as the Erin Hills Fun Run which will be held Saturday, October 20, 2018 at 9 am. Check out our webpage or Facebook page for more information.

Athletics, by Andrew Address, Athletic Director

Erin School is looking forward to another year of athletic opportunities for our student athletes. We will again have Girls Basketball from October through December, Boys Basketball from January through early March, and conclude the year with Girls and Boys Volleyball March through early May. Additionally Running Club will take place in the fall and spring for all interested students.

This year we are excited about our new logo and refinished gym floor. We'll be getting new Boys Basketball uniforms to replace our eleven year-old ones as well. We encourage you to come on out to Erin School to support our student-athletes. GO ROADRUNNERS!

Building and Grounds, by Debra Fenney, Director of Building and Grounds

We had a very busy but productive summer. Our summer projects consisted of installing new basketball courts on the K-5 playground, installing a safety fence to separate the playground and parking lot, asphalt repair, seal coating and relining of the parking lot. We took the gym floor down to bare wood, recoated, restriped, and put in the Road Runner mascot center court. We also installed a new phone system along with new doors, keyless entry, cameras, more security features, windows, blinds and finished off the garage. Please come and check out the building. There are many other projects we completed to have our school ready for the children. We could not have done it all without the help of our dedicated summer cleaning crew. We thank them for all their hard work and dedication.

Book Keeper by Cheryl Johrendt

Although school has been in session only a few days, the 2018/2019 budget has been in the works for several months. It has now been finalized and will be presented at the annual meeting on September 24, 2018. If you were not able to attend the meeting, you can call and request a copy of the packet of information.

The Erin School District has made every effort to maintain a safe and positive school environment for its students, staff and community while remaining fiscally responsible to the school district taxpayers. While the District continues to provide services as it has in the past, it can sometimes be a bit challenging. The District monitors the revenues and expenditures monthly and adjusts them accordingly throughout the year.

Volunteer Program by Sophie Matthys

We're excited to start the 2018-2019 School Year and Erin School's Volunteer Program!

Last year, our volunteer program was a great success thanks to the over 35 volunteers who shared their time and talent at Erin School. If you are interested in volunteering at Erin School, we would love to have you. We have a wide variety of areas that need your time and talent! We need help copying/laminating, lunch buddy, reading stories or listening to a student read and gym helper, just to name a few. Scheduling is taking place now. Whether it is a day every week or even just once a month, our students would benefit with your help. Please contact me at matthys@erinschool.org or 262-673-3720 for a form or more information!

Special Education by Cynthia Tomich, Director of Special Education

Child Find invitation:

Developmental Screening for communication, problem solving, and fine & gross motor skills.

Date: Thursday, November 1, 2018

Time: 8:30 AM – 3:00 pm (By appointment only)

Location: Erin School, 6901 County Hwy O, Hartford, WI 53027

SCHOOL NEWS

This is a developmental screening for children ages birth to 5 years old, who reside within the boundaries of the Erin School District. All children are encouraged to attend, particularly if you have concerns for your child's development. This screening is NOT the 4K screening conducted for all incoming 4K students, which is typically held in the spring. This is a developmental screening to identify any developmental needs that may prompt the district to conduct a special education evaluation.

HUHS, continued from page 4

In addition to having SROs at select co-curricular events, a new policy is in place: non-athletes attending HUHS athletic events will no longer be allowed to bring in backpacks, book bags, duffel bags, string bags, or oversize purses.

Student Assistants Three Student Assistant positions have been added to the staff this year. They are school year employees and are in the building and on the grounds all day, each school day. The three positions are filled by four employees, two of whom are job sharing.

Randall Abbott was in law enforcement for over 34 years. He retired as a Detective from Hartford Police Department. Until recently, Randall worked in the evidence rooms at Beaver Dam Police Department and the Dodge County

Please see HUHS, page 8

SCHOOL NEWS

HUHS, continued from page 7

Sheriff's Office. Randall was the first HUHS SRO officer from 1992-2001.

Jonathan Anderson is currently a part-time firefighter with Hartford Fire & Rescue and Richfield Fire Company, starting in 2009. He began as an EMT and Fire Inspector and an Emergency Services instructor with both fire companies in 2017. Jonathan earned a Bachelor's Degree in Health and Human Performance and Occupational Health & Safety in 2014.

Eric Garretson comes to HUHS from Boucher Hyundai, where he was employed for 15 years as an auto technician. Eric coaches youth sports in the community.

Rodney Lehl is a retired Army Veteran Captain who served in Desert Storm and is a retired Hartford Police Lt. having spent 25 years in law enforcement.

Student Assistants will be monitoring entrances when they are open per WI Department of Justice (DOJ) requirement. Because the Student Assistants need to visually observe students and visitors entering the building, the open entrances and times have changed. There will be two entrances open in the mornings for students to enter. The Main Entrance will open at 6:00 AM and entrance 6 in the back of the building will open at 6:45 AM. The entrance from the student parking lot will no longer be open. Students/visitors need to use the Main Entrance.

Left to right: Officer Tom Conrad, Randall Abbott, Rodney Lehl, Jonathan Anderson, Eric Garretson, Officer Bob St. Onge

Windows and Door Security Film Film is being Installed to all first floor, exterior windows and doors with windows. Film is also being installed in the Secure Entry interior. The film is bullet resistant, not bulletproof. It will stop an intruder from easily entering through windows, allowing time for police and security to respond more quickly.

- Standard 3M Security Film will be used for most of our windows/doors.
- 3M Ultra800 Security Film will be used for front, side, and rear entrances.

Additional Mental Health Services

Professional Development for all staff on Trauma Informed Care and mental health indicators of students were completed prior to the start of the school year.

We will utilize the results of the spring 2018 Youth Behavior Risk Survey (YBRS) data to identify data-based student needs and develop evidence-based supports and interventions.

We have implemented private practice, school-based mental health services inside HUHS so that students and/or parents may have ready access to these critical services. Those services are provided by Professional Services Group (PSG) and Ozaukee Community Therapies. These two agencies were selected from a group of community mental health providers who responded to our request for proposals last spring. They expressed interest in our school and both agencies working with HUHS have experience working in other school districts.

We are implementing enhanced, comprehensive threat assessment procedures and wrap-around supports.

Student and Parent Commitment to Safety is a vital part of our plan. “*See Something, Say Something*”, is reinforced at HUHS on a daily basis through administrators, teachers, staff, posters, Counselors, School Resource Officers, and Student Assistants.

“Safety is definitely a team effort”, said Dan Dobner, Hartford High School Principal, “We are fortunate to have such an experienced and dedicated team working to improve and ensure student, staff, visitor, and facility safety. The HUHS Safety Team will continue to work diligently to provide for a conducive and safe teaching/learning environment.”

COMMUNITY NEWS

Erin Soccer by Marilyn Litts Secretary/Treasurer

The soccer season got off to bit of a slow start with all the rain, but everything dried out and the teams were back out on the fields. The kids improved their skills and had fun doing so. Now the fall season is winding down; the last games will be played Saturday, October 27. Thank you to everyone who volunteered, from coaches, team managers, Snack Shack helpers and everyone else; you help keep things running! Our annual Leah Fenney Tournament took place Sunday October 7. Thank you to all our sponsors and volunteers. It wouldn't be a success without you! Watch for an update in the next newsletter with final statistics.

If you have a child interested in playing soccer in spring, watch our website and Facebook page for updates. Registration will open in March. We have teams for children ages 4 through 13. Practices are held one to two times a week at the Erin Town Hall and most games are played on Saturdays. We are a

recreational club and part of the Kettle Moraine Soccer League (KMSL). Come join us for Fun, Fitness and Fair Play!

38th Annual St. Patrick's Day Parade, by Derek Wilcox

With fall upon us, the St. Patrick's Day parade will be here before we know it. The parade will fall on a Sunday in 2019 and planning for the parade will begin shortly. We are always looking for more volunteers to help with the planning, execution, and cleanup for the town's big event. In addition, any corporate or private donations are greatly appreciated and help ensure the parade continues year after year. Feel free to reach out with any questions by calling 262-223-3337.

Park, continued from page 4

placement and the park land “swap” that needs their approval. Because of this necessary land “swap” and due to the continued interior and exterior deterioration of the rental house, demolition was approved by the board in August and is underway. We are aware of the petition regarding the income generated by the rental house; however, our newly elected board agreed unanimously with our past boards that it did not make financial sense to sink any more taxpayers’ money into this building.

We would also like to thank “anonymous” for the bag of sandbox toys left outside the Snack Shack—much appreciated. We would gladly accept additional toys.

The last of our Park signs has now been installed. Unfortunately, we also had a vandalism incident at the gazebo—repairs are almost completed.

Two of our six dying ash trees will be removed shortly and will be replaced in late fall by two Autumn Blaze Maples.

Please be aware that donations for trees in the name of a loved one are gladly accepted. In fact, this summer Andrea Rehlinger-Gintner had wedding photos taken by the tree that was planted in her dad’s memory several years ago.

Should you have any questions or

concerns, please feel free to contact me at 262-670-0975.

St. Patrick Preservation, by Maureen

Fitzsimmons-Vanden Heuvel

We are happy to report that over 25 headstones at Old St. Patrick’s Cemetery were repaired this summer by Gehl Monument Company. Because a larger than normal cemetery trust fund amount was available, Gehl concentrated this year’s work on the largest monuments that are the most difficult to reset. Large wood pallets were used to protect the headstones during the foundation repair. These monuments will still need a second layer of concrete, which should be completed before winter sets in.

If you have loved ones buried at Old St. Patrick’s Cemetery and would like to have a specific headstone repaired, please know that donations are gladly accepted and can be earmarked to a specific headstone.

Our annual membership drive began July 1, however, memberships can be purchased at any time and are reasonably priced at \$5/Single and \$10/Family. We just completed our annual 501C3 filing with the IRS so all donations to the St. Patrick Preservation Fund

Countdown to "Noon" Year's!

Monday, Dec. 31 from 11:30-12:15

Join us for a "Noon" Year's Celebration! We'll be counting down to noon! Children can make their own "Noon" Year's ball to help them ring in the "Noon" Year. We'll also have some snacks to help us celebrate!

This is a great party for little ones that may not be able to make it to midnight to celebrate the New Year!

TEEN BOOK SPEED DATING

Thursday, Oct. 11 at 6:00 p.m.

Test out books to find your next read!

How it works:
Minute 1: Choose a table.
Minute 2: Look at the books on the table. Look at the covers, read the blurb on the back, etc.
Minute 3-5: Start reading a book that caught your attention.
Minute 5: Figure out if the book is something you like. If it is, you'll take it to the next table and repeat the process. After the next table, you'll decide if you want to keep the one you picked earlier or a new one that caught your eye.

EMOJI PARTY

WEDNESDAY, OCT. 17 FROM 3:30-4:30

COME CELEBRATE YOUR LOVE OF EMOJIS AT OUR EMOJI PARTY! CHILDREN WILL GET TO MAKE THEIR OWN EMOJIS, PLAY SOME EMOJI GAMES, AND TAKE PHOTOS IN OUR PHOTO BOOTH!

YOUTH OF ALL AGES ARE WELCOME!
NO REGISTRATION REQUIRED!

Erin Hills, By John Morrissett

Golf Shop Sales and Lunches

On October 20 and December 8, there will be special sales in our golf shop from 10 AM - 4 PM each day. Merchandise will be 25% - 60% off!

In addition, a buffet lunch will be available both days from 11 AM - 3 PM. No reservations needed. Wine and spirits from the Erin Hills Cellar will also be available at special rates.

Preservation, continued from page 10

continue to be tax deductible. If interested in a membership or for any other question, please contact Maureen Fitzsimmons-Vanden Heuvel at 262/670-0975 or E-mail her at SaveStPats@aol.com. For continued updates on the St. Patrick Preservation Group, please visit our web site at www.savestpatrick.com.

Join us on the second Tuesday of each month at 7 PM at the Erin Town Hall.

COMMUNITY NEWS

Notice to Veterans of the Town of Erin

If you or anyone you know would like to have a name enrolled on the Erin Veterans' Memorial Monument, please get in touch with one of the committee members:

Patrick Hansen 262-966-0837
