REPORTS

Clerk’s Corner by Julie Kriewaldt, Town Clerk

Property Tax payment Reminder

If you only paid the first installment of your property taxes back in December or January, the second installment is due on or before July 31, 2018. **DO NOT** send this to the Town Hall. Write the check out to WASHINGTON COUNTY TREASURER and mail it to:

Washington County Treasurer
432 E. Washington Street, Room 2053
West Bend, WI 53095

Elections:

The Town had a tremendous turnout at the April 3, 2018 Spring Election, 42% of the registered voters voted! I would like to congratulate the elected Town Supervisors Jeffrey Millikin and Maripat Blankenheim. Also thank you Pat Landon for 18+ years of service to the Town of Erin.

I would also like to thank the poll workers. They arrive early in the morning and stay late at night to finish up all the required reports and paperwork. They do a tremendous job at each and every election.

The next election is August 14, 2018. The August Election is a Primary for the November 6th General Election. The August Primary is an election where voters may vote for candidates of one party only. Unlike the November General Election, the Partisan Primary in August is for voters to nominate who they would like to move on to the November election. It has been this way since 1905. For example, if a voter wants to vote for governor in the Republican Party; the voter cannot vote for a state representative in the Democratic Party. The election machine will reject the voter’s ballot. The easiest thing to do is read all directions and in the box “Choose a Party Primary” choose the party you want to vote in. If the voter marks this, it will prevent the voter from crossing over party lines causing the election machine to reject the ballot. But keep in mind, the voter still needs to vote in each race and select candidates you wish to vote for. Just filling in the party preference box, for example “Republican” does not give all Republican candidates a vote. Also, as usual, a voter can vote just in the races they want to. Voters do not have to vote for everything. I hope this helps and we will see you at the August 14, 2018 Primary Election, open 7:00 AM to 8:00 PM.

REPORTS

Town Chairman Report by Dennis Kenealy

As summer follows winter, so road construction follows snow plowing. In this issue you will find details of some of the proposed summer projects. On behalf of the Town, I would like to thank Pat Landon for his years of service to the Township. It has been invaluable. Pat will remain on a few committees and thus continue to have input into Town matters. Also, we welcome Maripat Blankenheim as Pat's replacement on the Town Board. Maripat has already assumed her duties and we are looking forward to continuing the Town's business.

Roads Report by Dan Coffey

We finally moved to summer road projects. It's hard to believe we were plowing snow in the middle of April.

This year's major projects include finishing the rebuilding of Donegal Road and chip sealing about 5 miles of current roads. Chip sealing (the annoying process of covering the road with tar and small stones) is very cost effective and allows us to extend road life of existing roads.

Erin roads would love to repair all the bad roads in the Town of Erin. We have 56 miles of roads and many are in need of repair. The State of Wisconsin collects all the tax money and returns about \$117,000.00 per year to the Town for road repair. The state money is enough to rebuild only about one-half mile of road per year. We budget our major road repair as well as road maintenance from this money. Fortunately, the Town also adds resident's paid tax money to help support road repair.

Town of Erin road crews continue to work to keep road right-of-ways free of trees and brush. Road right-of-ways (typically 33 feet from the center of the road) were established more than 150 years ago when the roads were created. The right-of-ways contain fiber, gas, cable, electrical wires, and other services buried underground. Brush and trees are removed from the right-of-ways for many reasons including safety and road health. As roads are rebuilt, we attempt to clear some of the right-of-way to increase road life and safety. Please keep all plantings out of the right-of-way.

The Town of Erin is building a new salt shed. The old shed is in bad repair, too small for the current salt requirements, and is too close to the Town Hall as well. We are in the planning stages and hope to see the project begin this year.

Emergency Management

by Brad Bautz

Later this summer, tentatively scheduled for an August 15, 2018 start date, the bridge over the Oconomowoc River will be replaced at County Highway Q, also known as County Line Road. The road will be completely impassible during much of the construction, and the boat launch that is used to travel up the river to Loew's Lake will also be closed. This area of highway is under the jurisdiction of Waukesha County. Both Washington and Waukesha County alternate sections of CTH Q that they maintain. I have worked extensively with Waukesha County and the private engineering firm hired for the project. The Town owns and maintains a dry hydrant for fire protection at that site. It was installed in about the year 2000. As part of the project, it needs to be removed. Working with the county, a newly designed hydrant will be built and installed by the contractor doing the bridge replacement. I felt it was very important to replace the hydrant. The Town will continue to own and maintain the new hydrant, with the Richfield Volunteer Fire Company assisting, as it is in their fire area. By partnering with Waukesha County, the project should cost \$6,370. This money will come out of the Fire/Rescue reserve account. We are able to save money and time by having this done while the bridge is replaced, instead of needing our own engineering for the hydrant, and having to install it after the county's bridge work is done. Thank you to Waukesha County for partnering with us!

TORNADO

May 9th, 2018 saw the first tornado of the year in the Milwaukee area touch down. It was rated by the National Weather Service (NWS) as an EF0, which is the lowest on the scale. There was property damage in both the Town of Erin and the Village of Richfield, but thankfully no injuries or deaths were reported. Below is a table from the NWS on the tornado - Merton to Richfield, WI

Date	Wednesday, May 9, 2018
Time (Local)	4:50pm-5:01pm
EF Rating	EF0
Est. Peak Winds	80 mph
Path Length	5.27 miles
Max Width	50 yards
Injuries/Deaths	0/0
Summary:	Damage rating of EF0 with peak winds estimated at 80 mph.

REPORTS

This is a map of the tornado track from the National Weather Service. It originated just west of County Highway K, in the area of Emerald Drive.

I was asked about sirens. The town does not have any tornado sirens. The closest sirens are in the City of Hartford, and there is one in Alderley, which is in the Town of Ashippun. If you live near those areas, you can likely hear them outdoors. When I looked into this several years ago, the cost/benefit did not seem to be there, as they are quite expensive to buy and install, and they must be maintained. We do not have a high population density. Sirens also must have a protocol and someone to activate them. We do not have a full time dispatch center, so we would need to rely on the sheriff's office. News broadcasts, cell phones,

and weather alert radios are all effective ways of receiving alerts as well.

With more severe weather a possibility, I want to take the opportunity to remind you about severe weather watches and warnings. A *Severe Thunderstorm Watch* means that conditions are favorable for the formation of severe storms, with damaging winds, dangerous lightening, and large hail.

REPORTS

A *Severe Thunderstorm Warning* means these conditions are occurring. A *Tornado Watch* means conditions are favorable for the formation of tornados. A *Tornado Warning* means a funnel cloud was sighted or a tornado has touched down: **TAKE SHELTER IMMEDIATELY.** Go to the lowest level of your home or building, and stay away from windows. A weather alert radio would be an excellent way to help protect yourself and your family. They can be purchased at many electronics stores. You can also receive weather warnings on your smart phone. There is no need to sign up. As long as your phone is WEA (Wireless Emergency Alerts) capable, you will receive alerts, and they are free.

Reminder

I encourage you to make use of the brush drop off at the town's dump site or recycle.

Please be cognizant of conditions before you burn. We had several grass fires this spring, and they were preventable. Your fire **must be attended at all times.** You must be near the fire. You cannot burn during a burning ban. Do not burn if the wind speed is greater than 9 miles per hour. Violations can likely result in a citation from the town. The rules for burning are set forth below.

No burning permits are required

When fire danger is high, very high, or severe all outdoor burning will be banned (this includes fireworks, which are already restricted by county ordinance) by order of the emergency management director, or town chairman. Outdoor cooking (i.e. grills) is an exemption. For such a ban I will notify the sheriff's department, and local radio stations. Notices will also be found on the town posting boards, and on the website.

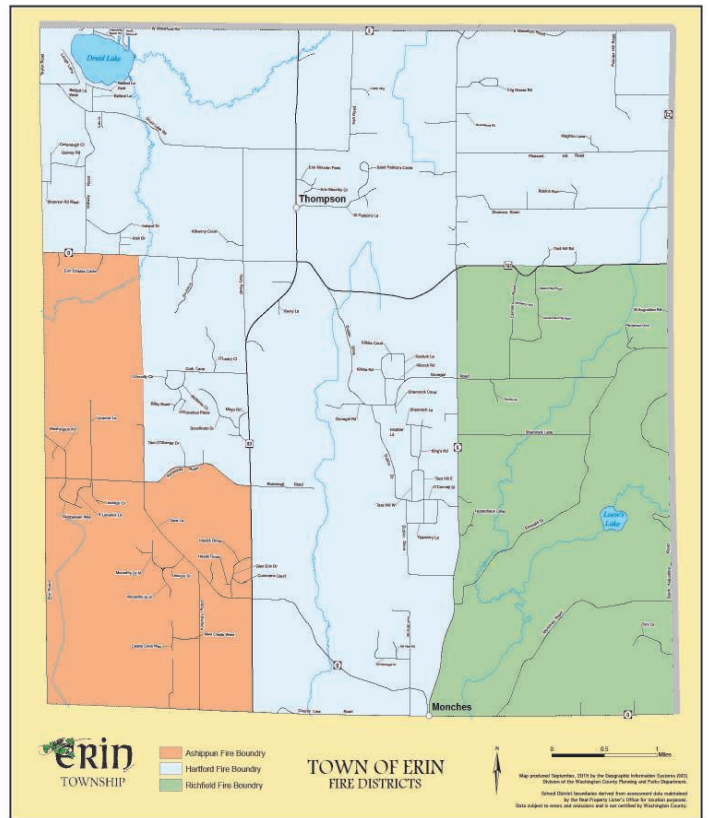

At any time of year:

Open fires must be attended at all times

The jurisdictional fire department or preferably the Washington County Sheriff's Office must be notified of any bonfire in excess of 10 ft in diameter or if a large area of grass is burned (i.e. over ¼ acre).

Fires can't be started on the roadway surface and only leaves and grass can be burned in the right-of-way.

The burning of garbage, plastics, rubber, treated wood, petroleum products or anything that emits noxious or toxic odors is **PROHIBITED.** The DNR already bans the burning of these items as they pose a health hazard to residents if burned.

Which fire district do I live in? See the map to find out.

Have a safe and happy summer.

REPORTS/SCHOOL NEWS

Erin Park, by Maureen Fitzsimmons-Vanden Heuvel

We welcome Supervisor, Daniel Zignego, as the new Erin Park liaison and are grateful for the knowledge he will bring to the position.

Due to the colder than usual spring weather and an over abundance of rain, our crabgrass preventer and weed control was delayed until the second week of May. Schoofs GreenWorks did a great job working with us and the Erin Soccer Club.

The next big undertaking in the Park will be the construction of a new salt shed—badly needed for several years. Due to placement of the salt shed, the playground equipment on the north side of the park will have to be relocated along with at least one of the Frisbee Golf holes. Park employee, Todd Kozlencer, (designer and installer of our Frisbee Golf Course) will oversee the new design of the course and the landscaping issues that will need to be addressed after the construction is completed.

Other projects will be: removal and replacement of two of our six ash trees in late summer and addressing the large crack that has developed on the sports court.

As mentioned in our Spring 2018 issue, please, please be aware of the INVASIVE wild parsnip infestation in Washington County. You can educate yourself on how to eradicate this invasive species and stop the spread along our roadways and in our park. Here are links to two websites: <http://eekwi.org/veg/plants/wildparsnip.htm>
<http://americanatural.com/blog/get-rid-wild-poison-parsnip-without-using-chemical-herbicides/>

SANDBOX DONATION REQUEST! Our current sandbox toys have seen better days . . . so if you have any sandbox toys that are in good shape that your children have out-grown and would like to donate them to the park, you can leave them outside the door to the Snack Shack. THANKS!

If you have any park suggestions or concerns, please feel free to contact me at: 262/670-0975 or email me at: Maureen.FV@erintownship.com

Erin School

District, by Kieth A. Kriewaldt, District Administrator

Erin School District, Hartford WI 53027

There is so much information to share. Here are just a few.

In April 2018, we had a School Board election. The District would like to thank outgoing Board Member, Cornel Rosario for his many years of service to our students, school, and community. We would also like to thank new Board Member Bill Holz and re-elected Board Member Bridget Hubing for serving on our School Board. Your service is greatly appreciated.

Over the summer months, Erin staff members will be diligently working to review, revise, and renew curriculum in the core academic areas. Many teachers will be attending workshops in the areas of reading, writing, math, and social studies. This year, Erin School District and Richfield School District will be hosting a three-day training session for many teachers from various school districts. With this continued training, Erin School District is preparing our students to be successful for their high school experience. While the students are on summer break, the learning does not end for the staff.

The elementary students at Erin School were excited to receive and unpack their boxes of modified golf equipment from The First Tee Organization. Erin Hills Golf Course donated the golf package to Erin School in an effort to introduce more children to the sport of golf. Included in the equipment package were clubs, balls, and targets, as well as a curriculum aligned with the SHAPE National Standards. The curriculum not only teaches golf skills, but also character education and healthy habits. To learn more about the exciting golf program visit www.TheFirstTee.org.

Net Generation provided area school districts with a one-day workshop, equipment, and curriculum to help introduce the world of tennis to our middle school students. Thank you <http://www.netgeneration.usta.com>

A big thank you to all of the people who help keep our school running smoothly each day. This year, Erin Hills Golf Course donated their facility and course for our 5th Annual Fun Run/Walk. Also to local businesses such as Fox Bros. Piggly Wiggly, Robert's Frozen Custard, MJ's

SCHOOL NEWS

Marketing & Catering, and many more. Their small and large contributions really helps make a school event special.

School Operation by Donna Runte, District Secretary/Administrative Assistant

School summer office hours are 8:00 AM to 2:00 PM Monday through Thursday.

If you have new neighbors, please let them know to stop in at school for a visit and to register. If you are new to the Town of Erin and have any questions, please give us a call [262-673-3720](tel:262-673-3720).

Please check us out on Facebook and watch our website www.erinschool.org to keep up on things happening here at Erin. You can also follow us on Twitter @Erindistrict

Erin School offers childcare for our students:

- Early Morning Care – Students may be dropped off in the multi-purpose room as early as 6:15 AM.
- 4K Extended Day – for parents needing their child to be here outside of the regular 4K classroom time.
- After School Care – Students can be picked up after school as late as 6:00 PM.

There is an hourly fee for these programs. Please contact the front office for more information.

Athletics, by Andrew Andress, Athletic Director

As the 2017-2018 school year finishes up, we have many reasons for celebration at Erin School. It has been another fantastic year of learning and growing for our students. Extra Curricular involvement is an important part of that. In early May our volleyball teams finished up their season with conference tournaments hosted at Arrowhead High School.

Our 6th grade boys finished in 1st place! Our 8th grade girls finished strong as well as Consolation Champions. Overall, we had 26 girls and 16 boys participate in volleyball this season in grade six through eight. We also had 30 Forensics participants' with 13 students advancing to the State Competition. There was also a spring play, Jungle Book for Kids, put on by some Erin alumni that had 17 participants.

On Friday, May 18th we had 17 students participate in an area track meet at Hartford Union High School as well.

In the fall we are looking forward to unveiling our new look for the Roadrunner logo and mascot. A committee of school personnel and community members has worked to represent our school by blending new ideas while maintaining our nickname and history. With the installation of our new

bleachers this past summer, followed by a refinished gym floor this summer, complete with the new logo, we invite anyone to attend our games and activities at Erin School and check out our new look! We are proud of our school, community, and all who work hard to represent it in all respects!

Finally, in preparation for next school year, a reminder that all student-athletes planning to play a sport at Erin in 2018 - 2019 need to complete the Erin School Athletic Eligibility Card and return it to Mr. Andress by Friday, September 14th. This form can be picked up at school or found on the Erin School website under the Parents Menu. Have a safe summer! GO ROADRUNNERS!

Building and Grounds, by Debra Fenney, Director of Building and Grounds

We have many exciting projects going on this summer. We will be repairing several areas of the parking lot along with patching, sealing and painting fresh lines. The gym floor is being refinished, taken down to the bare wood, painting new lines with the new logo, and resealing. Besides the normal extensive cleaning, we will be replacing a few doors, windows, and blinds along with some painting, carpet cleaning, etc. Hardening our security is also on the agenda.

Book Keeper by Cheryl Johrendt

As the school year winds down, Erin School District has been the fortunate recipient of generous monetary and goods donations. These donations were outside of the operating budget and allowed the District to do more and provide abundant items and activities for our students. As the donations are too many to mention all, a few of them are:

- Grants and gifts from various state, federal and private organizations totaling over \$8,600
- Kohl's Cares contribution of \$3,000 to be used for field trips to Junior Achievement, Discovery World and Milwaukee County Zoo.
- Generous contributions by the Erin School PTC toward the playground and the purchase of classroom gifts for each grade level.

Additional donations have been received from school families, community members and local business just to name a few. On top of all of this, our volunteers play an important role in all that they do. The staff at Erin School recognizes the generosity and is thankful for all that makes the school what it is!

SCHOOL NEWS

Volunteer Program by Sophie Matthys

A big thank you to all of our volunteers who helped at our school this year! Anyone interested from the community is encouraged to volunteer. We have many areas that need of volunteers every year (copy room, helping in the classrooms, etc.).

Our whole Erin School staff feels very fortunate to have parents, grandparents, and people from the community enrich our school with their endless energy and positive support.

There are over 30 volunteers that come in regularly or at a moment's notice to help out, putting in over 1,500 hours. We thank everyone for their support, help, and positivity. If you are interested in helping out for the upcoming school year, please let me know - matthys@erinschool.org. We look forward to seeing many of you again and some new faces next school year.

COMMUNITY NEWS

Erin Hills, By John Morrisett

After the excitement of the U.S. Open in 2017, Erin Hills remains committed to supporting amateur golf. For example, this year we will host boys' and girls' high school tournaments and the Marquette Intercollegiate again. In addition, we were happy to provide the funding for Erin School to implement The First Tee National School Program. We believe that playing golf provides many benefits on the physical, social and emotional levels and would love to see more people, especially juniors, take advantage of this wonderful sport.

Park, continued from page 5

St. Patrick Preservation, by Maureen Fitzsimmons-Vanden Heuvel

Even though a Holy Mass could not be offered this year at our 159-year old, historic St. Patrick's Church, Prior and Rector, Father Donald Brick, O.C.D. celebrated the Feast of St. Patrick on March 17 at Holy Hill Basilica. The Mass was

concelebrated by Father John Brennan, Father Kevin and Father Robert McDermott. We were blessed with beautiful singing by Steve Tennes and Grace Marie, Eve Anna and Gemma Claire Urlakis, with Michael Tennes, Joseph Urlakis and John and Gabe Andress as Altar Servers. A First Class Relic of St. Patrick was available for veneration along with Holy Water from Our Lady of Knock Shrine in Ireland. Thank you to the Dunne family leprechauns for ensuring St. Patrick's Day cookies and for the Holy Hill Café for providing a wonderful Irish breakfast after Mass.

Preservation, continued on page 10

COMMUNITY NEWS

Erin Soccer by Marilyn Litts Secretary/Treasurer

Erin Soccer is successfully wrapping up our Fall 2017/Spring 2018 season. And what a success!! Once the snow melted the kids got out on the fields and had a great time.

Erin Soccer is a recreational soccer club and is part of the Kettle Moraine Soccer League (KMSL). Soccer players usually have games on Saturday mornings in the surrounding communities and practice once or twice a week at the soccer fields at the Erin Town Hall. Our club is open to ALL children aged 4 to 13 years old. Why not join us for some Fun and Fitness and Fair Play?

For more information on our club visit our website: www.erinsoccer.org

REGISTRATION: We are currently in open registration for the upcoming Fall 2018/Spring 2019 Season. To register your child, go to our website and click on the REGISTRATION icon in the upper right corner or

if your child is returning, click the LOGIN icon to register your child for the upcoming season. HURRY!!! Registration ends June 30, 2018.

We are looking for parent coaches (Don't worry, we have some training classes to learn.) and also a few people to fill key positions within the Club. Check out our website for more information.

FOLLOW US ON FACEBOOK:

Preservation, from page 8

The weather was fantastic for the 38th Annual St. Patrick's Day Parade. Driver, Chuck Smither, and St. Patrick, Jim Purtell, made the front page of the Sunday, Milwaukee Journal Sentinel!

St. Patrick Preservation elections were held in May. The results: President - Maureen Fitzsimmons-Vanden Heuvel, Vice President - Robert Schwengel, Secretary, Peggy Kenealy and Co-Treasurers - Joan Coffey & Margaret Van Beckum. The Board of Directors also includes Wilhelm and Joyce Weber.

Our annual membership drive begins July 1, 2018. Memberships are reasonably priced at \$5/Single and \$10/Family. If interested, please contact Maureen Fitzsimmons-Vanden Heuvel at 262/670-0975 or E-mail her at SaveSt-Pats@aol.com. Remember all donations to the St. Patrick Preservation Fund are tax deductible. For continued updates on the St. Patrick Preservation Group, please visit our web site at www.savestpatrick.com. Join us the second Tuesday of each month at 7 p.m. at the Erin Town Hall.

38th Annual St. Patrick's Day Parade, by Derek Wilcox

The early morning was cool, but by the time the Parade started at 11:00 AM the temperature had warmed up a bit and parade goers didn't seem to mind. This year was one for the record books with 50 floats in the parade and a huge turnout.

Many thanks to these folks who help make the parade possible:

- A special thanks to Jeff Kraft for helping pass the torch to ensure the parade tradition in the Town of Erin continues!
- Washington County Sheriff Dale Schmidt, Sergeant Randy Boudry and all the deputies who handled the crowds with remendous professionalism and dis-

patch.

- Our volunteers who helped with traffic control, parking and clean up:
 - Derek Spieker — Parade administrator, Volunteer/police coordination, entry alignment, general road supervision, and cleanup supervision.
 - Barb & Greg Leach, Chris Magin, Brad Magin, Tony Magin, Mark Friend, Herb Perske, Tom Stetter, and all the many who helped with cleanup.
 - Derek Wilcox — Parade committee chairperson
 - Jeff Millikin — Town liaison
- Dave Lofy and Nick Savatski of the Town of Erin road crew who handled the barricades, garbage drums and pickup, and all the miscellaneous tasks required to make the Parade happen.
- Our generous financial sponsors whose donations ensure that the Parade goes on without taxpayer expense:
 - County Supervisor Mark McCune, First Bank of Oconomowoc, Tally Ho, Woody's Bar and Grill, and Erin Inn - Irish Pub.
 - Dan McNeil of Advanced Disposal for use of their donated dumpster.

This year's King and Queen: Jason Bowen and Sammi Pagenkopf.

**SCHAUER
ARTS CENTER**

Schauer Arts Center

Things are just heating up this summer at the Schauer Arts Center! Our sizzling summer lineup features the best of Wisconsin talent with Broadway's classic tale of Peter Pan, Milwaukee's favorite singer/songwriter and the state's most talented group of Kids.

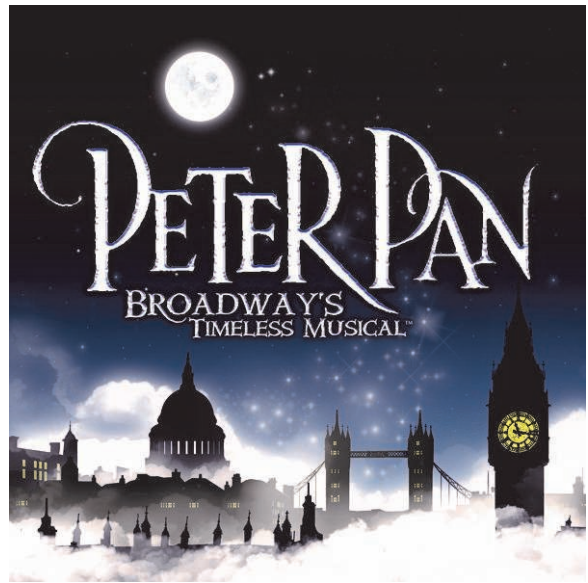

Peter Pan - Friday & Saturday,
June 15-16 & 22-23 · 7:00 PM &

Sunday, June 17 & 24 · 2:00 PM

Broadway's classic Tony Award-winning musical will whisk you away to a place where dreams soar high and no one ever grows up! Peter (played by Dani Kuepper) and his mischievous fairy sidekick visit the nursery of the Darling children late one night and, with a sprinkle of pixie dust, begin a magical journey across the stars that none of them will ever forget. In the adventure of a lifetime, the travelers come face to face with a ticking crocodile, a fierce tribe, a band of bungling pirates and, of course, the villainous Captain Hook (played by Jim

Mohr). Featuring iconic songs and a heartwarming story full of magic and adventure, Peter Pan is the perfect show for the child in all of us.

This show features real aerial flying effects for the first time on the Schauer stage! Flying provided by Flying by Foy.

Jack Russell Memorial Library by Jennifer Einwalter

The Jack Russell Memorial Library at 100 Park Avenue in downtown Hartford invites all Erin residents to visit the library to check out the variety of materials and programs that are available to patrons of all ages. The library is open Monday through Thursday from 10:00 AM to 8:00 PM, Fridays from 10:00 AM to 5:30 PM, and on Saturdays from 9:00 AM until 2:00 PM. Library cards are issued free of charge to Erin residents by providing a photo ID and current address. Children, ages 5 through 8th Grade, may obtain a card with parental approval.

The adult summer reading program kicks off on Monday, June 4 with “Libraries Rock: BINGO!” For each ROCKS bingo, a slip will be entered for one of

our rock’n prizes. Bingo cards are available at the JRML, via our website and through our Facebook page. Bingos include horizontal, vertical, diagonal and four corners. A completed card will be awarded five additional slips as a bonus!

“Libraries Rock!” is the theme for the 2018 Summer Library Program. The program sponsored by the JRML with 100% funding from the Friends of the Hartford Library encourages recreational reading and library use by children and teens during the summer. The Library offers four program levels: A Little Readers for babies ages 0-2 years, A Read-to-Me section for non-readers and those beginning to read, an Independent Reading Program for those able to read on their own through grade five and a Teen Reading Program for grades 6-12. Registration for the program begins on Monday, June 4, 2018!

Highlights for the 2018 Summer Reading Program Include:

- Wednesday, June 13 – 2:00 PM-5:00 PM – Craft Palooza day! Come construct as many crafts as you can! We will have tons of different crafts

COMMUNITY NEWS

prepped for your enjoyment. Each type of craft is on a first come first serve basis.

- Tuesday, June 26 – 3:00 PM-4:00 PM – Brixology: Lego Building Program – Brought to you by Mad Science of Milwaukee, Brixology will allow kids to build a robotic walking Lego machine! For children in 2nd-5th grade. Registration required.
- Wednesday, July 18 – Sounds Like Science! – 6:30 PM-7:30 PM – This show is all about sound and sound waves! Ordinary objects will be used to simplify complex ideas. Children will help Made Science of Milwaukee make bagpipes out of trash bags and use

cups/buckets to create sound amplifiers. Limited to 150 people.

- Saturday, August 4 – Ice Cream Finale – 11:30 PM-2:00 PM – Eat a treat and enjoy free face painting with Rock Face Painting (on a first come first serve basis) We will be celebrating the end of the summer reading program and hosting Kids Play, a comedy act, from 12:00-1:00 PM outside (if it rains, the program will be inside). Receive one single serving of ice cream from Scoop DeVille! The finale program is sponsored by First National Bank of Hartford.

There are many, many, many more activities and programs

BRIXOLOGY

Tuesday, June 26 from 3:30 p.m. to 4:30 p.m.

What is Brixology?
Brought to you by Mad Science of Milwaukee, Brixology allows kids to step into the shoes of an engineer with a special Lego building program. Mad Science of Milwaukee supplies the Lego building kit for kids to use that day.

What is special about the JRML's Brixology event?
Our event will feature a **ROBOTIC Lego build!** Children will be working to create a robotic machine.

What ages is this program for?
Our Brixology event is designed for children who are in 2nd-5th grade as it is a structured build with more complexity.

Is registration required?
YES! The Brixology program is limited to 30 children. If you are interested, please sign-up by stopping by the Youth Services Desk or calling us at 262-673-8240.

Schauer, continued from page 11

New (Fiscal) Year's Eve Party feat. Pat McCurdy – Saturday, June 30 · 6:30 PM
Celebrate the close of our 2017-18 season and kick off the new fiscal year! This special event features an expansive silent auction (over 100 items), hors d'oeuvres, and a special performance by Pat McCurdy. All proceeds go towards supporting the Schauer Arts Center in its mission to enrich the cultural and educational well-being of our community. Silent

auction items include Disney World Passes, a Cancun vacation, spa packages, gift certificates and more! To view the full list, visit schauercenter.org/nfy

Kids from Wisconsin – Wednesday, July 25 · 7:00 PM
Wisconsin's most talented singers and musicians ages 15-20 come together in this fully staged show featuring a mix of American favorites, big band, '50s to '80s classics, Motown, country, Broadway, and current Top 40 hits.

The Schauer is also excited to announce the lineup for its 2018-19 Performing Arts Season. This season is filled with high-caliber talent from all over the globe including Grammy-nominated Country duo, the Bellamy Brothers; the newest installment from the Church Basement Ladies, Matthew & Gunnar Nelson; Jimmy Osmond; the Milwaukee Ballet and many more! For a full listing of performances, please visit SchauerCenter.org. Tickets go on sale to the public on June 18.

Tickets can be purchased at the Schauer Center Box Office Monday through Friday from 11:30 AM to 5:30 PM and Saturday from 11:30 AM to 2:00 PM at 147 N. Rural Street in Hartford, charge by phone at 262-670-0560, ext. 3 or online at SchauerCenter.org.
