**Phone: 262-419-9060**

**Please make checks payable to: Erin Parade Committee**

**\$25 entry fee may make you eligible for prizes.**

**Erin Parade Policy Statement**

Thank you for participating in this year's St. Patrick's Day Parade. You are invited to participate of your own free will, and at your own risk.

For a smooth flowing, safe event, please read and abide by the following:

**PARADE ROUTE REMINDER:**

The parade will start at the intersection of Hwy K and Shamrock Lane and run north, ending at the intersection of Hwy 167. Staging of the floats will be on Shamrock Lane.

## **Content**

This is a St. Patrick's Day Parade. Please use the traditional colors of green, white, and orange in your dress along with the traditional decorations where ever possible.

## **Advertising**

Any business or group with an entry should certainly receive recognition for their participation. However, the community parade committee does not want commercial aspects to dominate the atmosphere. It's simple. Don't let your business/group name take up more space than your St. Patrick's theme.

## **Start Up**

Police will start closing off County Trunk K at 10:00 AM March 17<sup>th</sup>. Be at your station NO LATER THAN 9:45 AM so we can get everyone positioned and ready to roll on time.

Entrées with long vehicles must come from the east on Shamrock Ln, as there may not be room for you to turn around at the staging site.

- Yes, there will be rest room facilities available.
- Parade staff will be wearing orange vests.

## **Auxiliary Vehicles**

Do not bring more vehicles than you absolutely need. If you must have an extra vehicle, please make arrangements to have it parked at the end of the parade route or leave it parked at the beginning of the parade route. We can not permit these extra vehicles to join in the parade.

## **Length**

The parade route is 1.5 miles long. Any person or animal not accustomed to that long a walk may want to make provisions for riding part of the way or consider not going the entire length of the route if you feel it will be too physically challenging.

## **Spacing**

Spacing during the parade is important for an even flow of entrants. Please try to keep within 3 car lengths of each other. This year an official will be at the judge's stand directing all floats to pause to be judged. Entrants should stay stopped until being directed to proceed.

## **Amplified Music**

Please use discretion not to drown out the other participants.

## **Alcohol**

Please save your partying for after the parade. We do not want participants drinking alcohol **at all** during the parade. This only encourages the spectators to excess. Have fun, but **ABSOLUTELY NO ALCOHOL ON THE PARADE UNITS**. Entrants not following this provision will not be permitted to participate in next year's parade.

## **Candy**

Kids love having candy tossed to them during the parade, but this seemingly innocent act is potentially very dangerous. The kids focus on the candy, and not on the oncoming horse or the next float in the processing traveling toward them. In a split second, there could be a tragedy.

**PLEASE, NO CANDY TOSSING FROM INDIVIDUAL ENTRIES.**

## **End of Parade**

Do you know where you will go after the parade is over? If you are not familiar with the area and would like help with exit routes or any other particulars, please phone Derek at 262-419-9060.
